

It is with heavy hearts that we announce the closing of
B@TheMuseum.

The B Restaurant has been part of B Hospitality for the past 5 years and it has always had a special place in my heart. The quaint, rustic feel was warm and inviting and I enjoyed many evenings there myself. It was the beginning of our organization branching out from The Cambridge Hotel & Conference Centre.

While The B is closed we continue our operation at The Cambridge Hotel & Conference Centre, The Bruce Craft House as well as our B Elegant Catering.

Please support local and make the trip to Cambridge where you will enjoy the same great food, craft beer and warm hospitality. The Bruce Craft House is open from noon to 8pm daily and our Bruce Caboose Food Truck is serving from our parking lot Friday, Saturday and Sunday's from noon to 8pm.

I would like to thank THEMUSEUM for their continued support as well as a big shout out to all our regulars.

See you at The Bruce!
